You are Invited!

New Jersey Big Data Alliance Research Forum

When: Thursday May 21, 2020 11:00 am–12:30 pm

Where: Virtual Event* - **https://bit.ly/NJBDAReseachForum**

**Registration Required*

The NJBDA is convening a Research Forum for research faculty and staff from member institutions interested in building a Big Data research collaboration network in the state.

➤ Learn about interconnected research & education technologies that support all levels of collaborations:

- EdgeDiscovery: Matching Research to Resources
- Regional Research Platform Concepts
- National Research Cyberinfrastructure Landscape

➤ Explore funding opportunities and establish research collaborations to build effective teams

Join us for this unique opportunity to connect to the New Jersey Research Community!

Featured Speaker:

Forough Ghahramani, Ed.D.
Associate Vice President for Research, Innovation, and Sponsored Programs, Edge, Inc.
