Please Register here: newjerseybda.ticketleap.com/researchforum2024

The New Jersey Big Data Alliance is convening NJBDA Research Forum for the R1s through the community colleges and is open to all research professionals, faculty, research computing professionals, students, and other campus partners interested in shaping the Big Data and AI research collaboration landscape. Please feel free to share with your communities!

Forum Highlights

✔ **Big Data and AI Research Collaborations**

✔ **Communities and Resources for Advancing Collaborations**

✔ **Funding Opportunities**

✔ **Establish Contacts with the New Jersey Big Data & AI Research Community**

Join us for this unique opportunity to connect to the Big Data & AI Research Community!

For additional information contact: Forough Ghahramani at research@njedge.net
